### Sheraton Steamboat Resort & Villas Named to Expedia® Insiders' Select™ List

Nov. 2, 2009, Steamboat Springs, Colo., ... The Sheraton Steamboat Resort is proud to announce it has earned a place on the Expedia® Insiders' Select™ hotel list. The list is made up of just the top one percent of all Expedia hotels and resorts from around the world, regardless of destination or budget.

The Insiders' Select designation lists top hotels in terms of value and quality, as determined by both hotel experts and customers. Features that helped the Sheraton Steamboat Resort earn a place on the Insiders' Select list include its ski-in/ski-out accommodations, 18-hole golf course and the Sweet Sleeper beds in every guestroom.

"Inclusion on the Expedia Insiders' Select hotel list is a privilege and speaks to our endeavor to make each guest's stay comfortable, welcoming and memorable," said John Curnow, general manager at Sheraton Steamboat Resort.

Inclusion on the Insiders' Select list is determined by customer reviewers and a network of experts in top destinations worldwide, who provided their insight and knowledge of the best hotels. Reviewing more than 80,000 hotels and resorts, only those with the highest scores made it onto the list, completely independent of advertisers and partners.
